The Minutes of the Meeting of March 21st, 2022 were accepted unanimously. (Devin/Lou 3-0)

Visitors: Greg Chaffee

Greg Chaffee had come to the meeting because he had already received 7 checks totaling over \$1,520 to go towards the Brush Truck. He wanted to know who to give the checks to any how long it would take to get a check written for items that he needed to purchase. It was decided that he would give the checks to Tina and Tina would make out checks as needed. The Trustees of Trust Funds will be invited to next meeting along with Greg to discuss the process.

Old Business:

1. FEMA Update – Email from Judy Aron stating that FEMA was picking up 90% instead of 75% of the repair costs for the July and August rains. Nothing new but updated Nate.
2. LEOP Plan – So far Lou had Greg Chaffee, Ken Hart, Jonathan DeLisle, Virginia Foote and Lou to be on the Committee. Nothing new but updated Nate on what had been done to date.

4. Hubbard's came to the Planning Board meeting and they are planning on excavating to within 50 feet of the Stonewall in front of their new facilities as the State owns to the Stonewall. Cold River Materials (Eurovia Atlantic Coast LLC) is also coming to discuss opening up a new excavation area.
5. Sander – Osgood is getting the new sander together. Primex is sending a check for what their appraiser figured minus the \$1000 deductible today. Received the check for the sander from Primex.
