April 12, 2021

Meeting called to order at 7:00 p.m. by Chair, Devin Gallagher

Present: Devin Gallagher, Lou Beam, Nate Chaffee

Devin reviewed the Town Calendar for April.

Virginia Foote, EMD - Virginia came to get signatures for 3 Assurances for the State Radio Grant. The Selectmen questioned why one of the documents needed to signed as it didn't seem reverent and asked that she not include it if she didn't need to.

The Selectmen asked her if she had gotten in touch with Lisa at the SWRP about the update to the Emergency Management Plan. She stated that she had left a message for her but to date she hadn't got back to her. She will follow-up again.

Virginia also left papers for the Selectmen to read over and sign if they agreed just in case Langdon was asked to volunteer to do COVID shots in the neighboring communities. She also stated that she was getting bills together to apply towards the FEMA COVID money.
