

TOWN OF LANGDON
SELECT BOARD MINUTES

May 10, 2021

Meeting called to order at 7:00 p.m. by Chair, Devin Gallagher

Present: Devin Gallagher and Lou Beam

Select Board Minutes of 4-26-21 (Lou/Devin) passed unanimously

Old Business:

1. Department of Labor – Still have not received the final letter from them.
2. Status of the Broad Band Contract – The Select Board signed the contract with Consolidated at the meeting. The administrator will scan it tomorrow and send it to Jeff McIver for Consolidated to sign and send back and then she will forward the Contract to the Bond Bank and our Bond Bank Attorney.
3. We have received the quitclaim deed from the lawyer's office so the administrator will get in touch with Andrea Cheeney who will bring her stamp and Mark Collins to come to the 5/17/2021 meeting to sign it.
4. Virginia Foote, EMD updated the Selectmen via Email on the radios as well as the EOP update. The radio forms have been submitted and the form that Devin questioned they didn't need so Virginia shredded it. Virginia spoke to Lisa Murphy and she mailed Virginia a quote and that has been forwarded to Julia Chase with NH Emergency Management and she is completing the paperwork to move on with the project.
5. Lou stated that he had ordered 2 new double sided Welcome to Langdon signs as the price each was \$245.00 that way there would be a spare on hand.

New Business:

1. Orders were signed for 5/3 & 5/10
2. A Timber Tax warrant was signed.
3. Two Intents to cut were signed.

Motion to adjourn at 7:55 p.m. (Lou/Devin)

Respectfully submitted by Linda Christie
