Minutes September 13, 2012

Present: Helen Koss (Chair), Sandy Stagner, Marilyn Martin, Everett Adams, Dolly Beauchain, Myrna Harrington

The meeting was called to order at 7:00 p.m.

Secretary's Report was accepted.

Treasurer's Report – Balance in the account is \$3,724.25. A pledge of \$400.00 and one for \$1,000.00 has been received.

Old Business

Bensonwood's Plans – We Reviewed Bensonwood's plans for the inside of building as well at the exterior plans. The plans look good but have minor changes to be made.

CDFA - We need to contact businesses and get a 'letter of interest' from them. Possible businesses to contact were discussed.

Rural Development – Need an accounting of matching funds for Rural Development. They will give us 15% of our project. We will need to submit the application sometime this Fall. Probable 'in kind' for demolition is \$3500.00.

Fall Festival - A suggestion has been made to have fried dough for the Festival and Shelly will take responsibility for cooking the dough. She said we could order the dough from the Alstead Village Store. Helen will contact C & S Wholesaler to see if they will be able to donate the dough as they have offered to supply food for a fund raiser in lieu of a monetary donation. Myrna will work with Shelly to get things organized and will discuss having additional help at the monthly Community Club Meeting on September 20<sup>th</sup>.
