Lou Beam reviewed the Town Calendar.

November 20th Planning Board Meeting @ 7pm

November 26th Selectboard Meeting @ 7pm

Recognition of Visitors:

The Board welcomed Shirley Stocker. The Board discussed with Shirley the report from the Building Inspector that there are campers on the property that are being used as dwellings. The Board said that they did not want to displace anyone and will work with them as needed. Shirley said she is cleaning out two rooms in the house and should be ready in two weeks and she will call if she needs help.

The Board also welcomed Roger Pelton. The Board discussed with Roger how much winter sand he had and if he could produce enough for the season when needed. Roger said that he couldn't see why he wouldn't be able to produce the sand; he should be able to continue screening despite the weather. The Board also discussed the gravel stockpile with Roger. Roger assured the Board that he would have the remaining gravel ready for June of next year at the latest. The Board thanked Roger for coming.

Bud joined the meeting, briefly, to sign paperwork.

Old Business:

1. Nate made a motion to vote to ratify the agreement for police services from the State Police dated September 5th, 2018.

Lou Beam voted yes; Bud Ross voted yes; Nathan Chaffee voted yes.

2. Lou discussed with the Board the meeting earlier in the day with Northern Lights Credit Union. Lou had since contacted the Municipal Association which advised Lou that through the RSAs Towns are only allowed to use banks that are insured by the FDIC. The credit union is not insured by the FDIC.

3. The Board discussed a request from the Road Agent to get the garage door at the shop fixed. The Board noted that they should check into the balance in the general gov't buildings budget. They also asked that Todd come to the next meeting.

New Business:

1. The Board discussed that the School Board is having another meeting with Town officials on the 26th. The Board discussed that only one member will be able to attend as the time coincides with a Selectboard Meeting.

2. The Board reviewed and signed POs for the Road Agent.

3. Lou brought up that he had a conversation with Ray L'abbe concerning his retirement as chief. The Board thought to ask Ray in to discuss it at a meeting. Nate thought that they should all be there so the 1st meeting in December would be best.
4. The Board signed a warrant for the Tax Collector.
5. The Board reviewed and signed payroll.
6. The Board reviewed and signed orders.

8:19 Move to Adjourn. (Nate, Lou)
