Recognition of Visitors:

Claudia Istel. Claudia is running for State Representative for Sullivan 7. Claudia mentioned that she had been on the conservation and cemetery committees; and had been a Math Teacher at Fall Mountain Regional High School for thirty years. She was canvassing the Towns to discuss school funding and was researching from a town's perspective as opposed to an employee of the school. Lou and Claudia discussed the stabilization state aid that was going away and the impact school taxes have on the towns. The Board thanked Claudia for coming.

Old Business:

1. The Board reviewed and signed a letter to the State Police.
2. The Board discussed information that the Board had been made aware of concerning a resident that may have more apartments than allowed by the Town Building Codes. The Board will have Everett investigate.

New Business:

1. The Board discussed the Selectman booth at Fall Festival. Lou will be there as well as Bud. Nate is helping with the Fire Department booth.
2. The Board reviewed and signed payroll.
3. The Board reviewed and signed orders.
4. Lou brought up that he and Nate had spoken to Ray last week. Ray had suggested that Dave Hewes could be both the SRO and Police Chief for Langdon. Lou had discussed it with Lori Landry. Lori had noted that the school could not agree to that as their contract is specific to that person being there, and there would be challenges of priorities if one person manned both positions. Lori had mentioned that the school is planning to add monies to the SRO budget for next year.

8:16 Move to Adjourn. (Lou, Nate)
